VITICULTURE

Made from 100% Barossa Valley Shiraz from fifty year old dry grown vines. Each year, this single vineyard receives special attention. Traditional hand pruning methods are applied, the fruit is harvested at what is considered to be optimal ripeness and flavour in accordance to terrior, soil type and micro climate.

VINIFICATION

Crushed and de-stemmed into open fermenters, with fermentation temperature controlled at 25o C. Must is pumped over each day. Free run is removed from skins and gently pressed via airbag batch press, with free run and pressings reblended prior to molactic fermentation.

MATURATION

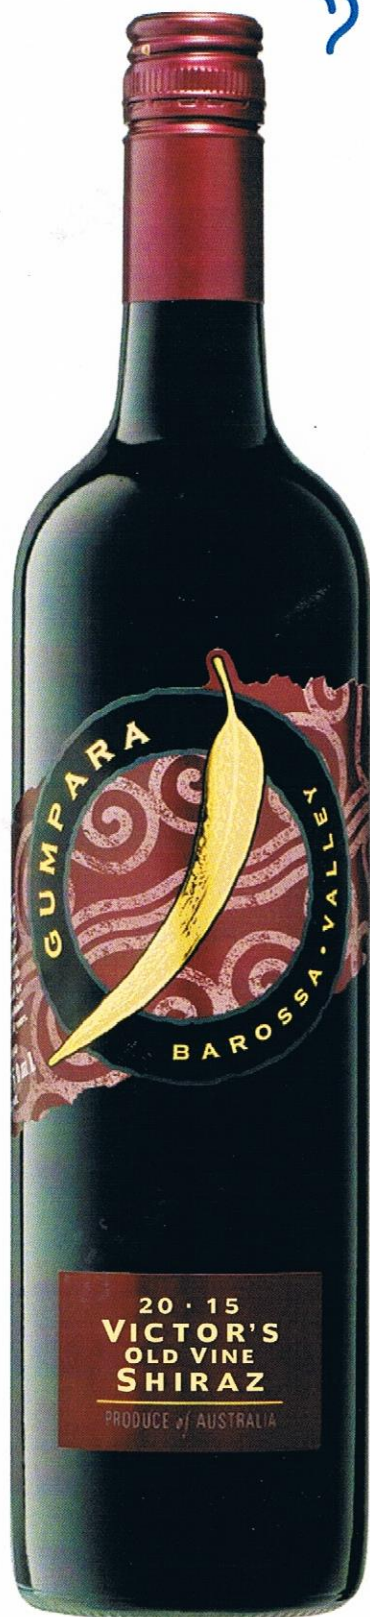

12 months in French and American oak hogsheads.

COMMENTS

The quality of the 2015 Barossa vintage was truly outstanding. Climatic conditions were generally favourable and a pre harvest rainfall event of nearly 20mm provided good vine health that carried the vines through the warm to hot days prior to an early harvest. This wine is deep in colour with aromas and flavours of wild berries, plumb conserve, rhubarb and pepper spice. Showing concentrated fruit on the middle pallet balanced with good acidity with cashew nut oak and a lengthy finish makes this Shiraz a remarkable wine. Drink now or long into the future.

CELLARING

This wine is a pleasure to drink now, but will benefit from careful cellaring well into the next decade.
